**Ontario Limited,**  
7315 Torbram Road,  
Mississauga, Ontario.

IN THE MATTER OF *The Public Commercial Vehicles Act*, R.S.O. 1970, Chapter 375; and

IN THE MATTER OF *The Ontario Highway Transport Board Act*, R.S.O. 1970, Chapter 316; and

IN THE MATTER OF the application of O'C Liquid Waste Haulers of Ontario Limited.

#### NOTICE OF MOTION

TAKE NOTICE that pursuant to Section 17 of *The Ontario Highway Transport Board Act*, O'C Liquid Waste Haulers of Ontario Limited intends to move the Ontario Highway Transport Board (the "Board") on a date to be fixed by the Chairman of the said Board for an Order directing:

- (a) a rescission of its Certificate dated December 2nd, 1977; or in the alternative,
- (b) a review of its Certificate dated December 2nd, 1977; and/or in the alternative,
- (c) a rehearing either in whole or in part of the application of O'C Liquid Waste Haulers of Ontario, and for an Order directing the foregoing to be heard by a new Panel of the Board which had heretofore not been seized with said application upon the following grounds:
  - (i) the Sitting Panel erred in refusing to admit as evidence bills of lading and/or shipping documents tendered by the Applicant as evidence of the scope of its activities in the transportation of liquid waste commodities since 1972;

- (ii) the failure to admit such evidence pre-judged the Applicant in view of the Applicant's allegation that it fit the criteria established by the Select Committee of the Legislature on Highway Transportation of Goods (1977);
- (iii) the resulting Certificate arising from said hearing confirms that the Sitting Panel failed to consider the long history of the Applicant in providing a broad range of liquid waste disposal services to a significant segment of the shipping public over a period of many years;
- (iv) the Certificate issued by the Sitting Panel so emasculates the ability of the Applicant to continue a viable business operation in the Province of Ontario that if a licence is taken out the applicant will forthwith be forced into receivership;
- (v) the Sitting Panel failed to take into account the long-standing activities of the applicant in the transportation of liquid waste disposal in a segment of transportation which has been a grey area of regulation for many years;

AND TAKE NOTICE that in support of this Notice of Motion will be read the Reasons for Decision, excerpts from the arguments filed by counsel on behalf of the parties to this application and such further and other material as counsel may advise and this Board may permit.

Dated at Toronto, this 31st day of January, 1978.

MORRIS/BRIGHT/ROSE,  
Counsel for the Applicant.

And the Board has fixed Friday, the 21st day of April, 1978, at its Chambers, Britannica House, 151 Bloor Street West, 10th Floor, Toronto, Ontario, at 10 a.m. (E.S.T.) for that purpose.

Kingsway Dalewood Limited

TAKE NOTICE that a motion will be made before the presiding Panel of the Ontario Highway Transport Board pursuant to Section 17 of *The Ontario Highway Transport Board Act*, R.S.O. 1970, Chapter 316, on a date to be fixed by the Honourable Chairman of the said Board, for an Order directing a re-opening of the said hearing and permitting all parties:

- (a) To re-argue the issues in question herein
- (b) To introduce new *viva voce* evidence
- (c) Such further Order as this Honourable Board may deem meet.

The grounds upon which this Notice is based are as follows:

1. The Sitting Panel erred by granting the name change from Reed Packaging Limited to Reed Limited so as to permit the Applicant to serve three additional facilities not encompassed by the Applicant's pre-existing operating licence.
2. The Sitting Panel erred in that the evidence from the supporting shipper failed to disclose public necessity and convenience for the three additional Reed Limited facilities that were not encompassed by the Applicant's pre-existing authority.
3. The Sitting Panel erred in failing to give full consideration to the evidence of the Respondents' abilities to meet the reasonable current and future demand of the shipper.
4. And on such further and other grounds as this Honourable Board may deem just.

The matter will be reheard *de nova* by the Ontario Highway Transport Board at its Chambers, Britannica House, 151 Bloor Street West, 10th Floor, Toronto, Ontario, on Friday, the 21st day of April, 1978, at 10 a.m. (E.S.T.) at which time a representative of Reed Limited shall be present so that the entire matter may be heard. Secretary.
